The knit boasts a smooth, uniform texture, creating the perfect canvas for the intricate printed illustration.

Care Instructions

To maintain the vibrancy of the illustration and the integrity of the fabric, we recommend washing inside out at 30 degC on a gentle cycle with similar colors. Do not bleach. Tumble dry on low heat or, for best results, reshape and lay flat to dry to prevent stretching. Iron on low heat on the reverse side only, avoiding direct contact with the illustration. Not suitable for dry cleaning.

Sustainability & Origin

This enchanting sweater is proudly manufactured in Portugal, a country renowned for its high-quality textile production and ethical labor practices. We are committed to reducing our environmental footprint, which is why the recycled polyester used in this garment is GRS (Global Recycled Standard) certified, ensuring transparency and verification of recycled content. Furthermore, the entire garment meets OEKO-TEX Standard 100, guaranteeing that every component, from yarn to dye, has been tested for harmful substances and is safe for human health, especially for children's delicate skin. We are continuously working to measure and reduce the carbon footprint associated with our production processes.
