## Sustainability & Origin

These pants are manufactured in Bangladesh, a region renowned for its expertise in textile production. We are committed to responsible sourcing and manufacturing practices. The fabric used in these pants is OEKO-TEX Standard 100 certified, ensuring that every component, from thread to dye, has been tested for harmful substances and is therefore harmless for human health. While we are continuously working to reduce our carbon footprint, we strive to partner with factories that prioritize ethical labor and environmental stewardship.

## Style Notes

These versatile chinos are a wardrobe essential that can be dressed up or down with ease.
