Care Instructions

To preserve the delicate nature of this set, hand wash separately in cold water (max 30 degC) using a mild, pH-neutral silk detergent. Do not bleach. Gently squeeze out excess water; do not wring. Lay flat to dry away from direct sunlight and heat to prevent damage and maintain the silk's luster. Iron on a low silk setting inside out, or use a steamer. Avoid dry cleaning as harsh chemicals can degrade the silk fibers.
