Its breathable linen blend makes it an ideal choice for warmer seasons, offering both style and supreme comfort.

Material & Fabric Composition

Crafted from a premium blend of 70% Linen and 30% Cotton, this romper offers the best of both worlds: the natural breathability and refined texture of linen combined with the softness and durability of cotton. The fabric boasts a comfortable 150 GSM (grams per square meter), providing a lightweight yet substantial feel. Its slub texture adds a touch of vintage charm, creating a unique, subtle irregularity in the weave that enhances its natural aesthetic.
