Elevate your wardrobe with the Argent Tailor Silver Linen Blazer, a sophisticated and versatile piece designed for the modern gentleman. Perfect for warm-weather formal events, smart-casual gatherings, or upscale resort wear, this blazer offers a refined silhouette and breathable comfort. Its distinctive silver hue makes it an ideal choice for spring and summer seasons, seamlessly transitioning from daytime occasions to elegant evening soirées.

## Material & Fabric Composition

Crafted from a premium blend, this blazer features 70% Linen for its natural breathability and textured handfeel, combined with 30% Lyocell for enhanced drape, softness, and reduced creasing. The fabric boasts a substantial yet lightweight feel, with a GSM (Grams per Square Meter) of 220, ensuring durability without sacrificing comfort in warmer climates. The texture is characterized by the subtle slubbing inherent to linen, lending a sophisticated, naturalistic charm, while the Lyocell integration provides a smoother, more fluid finish.
