

# The "Urban Flux" Smooth Green Streetwear Tee

## Product Overview

Embrace the urban landscape with the "Urban Flux" tee, a cornerstone of modern streetwear designed for the style-conscious individual. This smooth, breathable t-shirt is perfect for everyday wear, from navigating city streets to casual meet-ups, offering unparalleled comfort and a fresh aesthetic for the warmer seasons.

## Material & Fabric Composition

Crafted from 100% premium polyester, this tee boasts a luxurious, incredibly smooth hand feel that glides against the skin. With a fabric weight of 180 GSM (Grams Per Square Meter), it strikes the perfect balance between lightweight breathability and durable construction, ensuring comfort without sacrificing substance. The tightly woven knit gives the fabric a subtle sheen, enhancing the vibrant green hue and adding a touch of sophisticated edge to its streetwear foundation.

## Sustainability & Origin

This "Urban Flux" tee is proudly manufactured in Vietnam, a region known for its skilled textile craftsmanship. We are committed to responsible production practices, and this garment holds OEKO-TEX Standard 100 certification, ensuring that every component, from the fabric to the thread, has been tested for harmful substances and is therefore harmless for human health. While a comprehensive carbon footprint analysis is an ongoing initiative for all our products, we are actively working towards more sustainable logistics and material sourcing to minimize our environmental impact.

## Style Notes

The "Urban Flux" tee in its distinctive smooth green offers versatile styling options. For a quintessential streetwear look, pair it with distressed denim jeans, chunky sneakers, and a utility cross-body bag. Alternatively, elevate your casual ensemble by combining it with tailored black joggers, a light overshirt, and minimalist high-top trainers for a refined yet relaxed vibe. This tee is ideal for spring and summer, providing a pop of color and breathable comfort as temperatures rise. For transitional weather, layer it under an open denim jacket or a light bomber.
