Care Instructions

To maintain the hat's shape and material integrity, spot clean only with a damp cloth and mild soap. Gently blot to remove any marks. Do not machine wash, tumble dry, bleach, or iron, as this may damage the straw and ribbon. Allow to air dry naturally in a shaded area, away from direct sunlight. Reshape gently if needed while damp. Store in a cool, dry place, ideally stuffed with tissue paper to preserve its form.

Sustainability & Origin

Manufactured in China, this straw hat is crafted with care to ensure durability for active children. While the primary material is natural paper straw, the hat is certified to OEKO-TEX Standard 100, ensuring it is free from harmful substances and safe for your child's skin. We are continuously working with our suppliers to explore more sustainable material options and processes, aiming to reduce the environmental footprint of our accessory lines.
