Its unique silhouette offers a fresh take on classic shirting, ideal for the spring and summer seasons.

## Material & Fabric Composition

Crafted from a luxurious blend of 70% Viscose and 30% Linen, this blouse offers a beautiful drape and a breathable feel. The fabric boasts a comfortable 150 GSM (grams per square meter), providing enough body for structure while remaining lightweight and airy. Its texture is subtly slubbed due to the linen content, giving it a natural, refined finish that is soft against the skin.

## Care Instructions

To maintain the integrity and longevity of your "Modern Muse" blouse, we recommend a cool machine wash at 30 degC on a gentle cycle with similar colors. Do not bleach. Tumble dry on low heat or, for best results, line dry in the shade to prevent shrinkage and preserve the fabric's delicate texture. Iron on a low setting inside out if needed. This garment is suitable for dry cleaning, should you prefer professional care.

We are committed to responsible sourcing, and the viscose used in this garment is OEKO-TEX certified, ensuring it is free from harmful substances and safe for human health.
