Tumble dry low or, for best results, line dry to prevent shrinkage and preserve fabric quality. Iron on medium heat if needed, avoiding direct contact with any adjustable tape or hardware. Dry cleaning is not recommended.

Sustainability & Origin

These Twill Trousers are proudly manufactured in Bangladesh. We are committed to responsible production practices, and the fabric used in these trousers is OEKO-TEX certified, ensuring it is free from harmful substances and safe for human use. By producing in regions with established textile industries, we support local economies while striving to minimize our environmental impact through efficient manufacturing processes.

For a smart-casual ensemble, pair them with a crisp button-down shirt, rolled sleeves, and leather loafers - perfect for an evening out or a relaxed office environment. For a more laid-back vibe, team them with a graphic tee, an unbuttoned overshirt, and canvas sneakers. The adjustable tape detail adds a contemporary edge, making them ideal for transitioning between seasons. We recommend these trousers for year-round wear, adapting effortlessly from spring to autumn with simple layering.
