

# ApexCool Performance Tee: Elevate Your Training

## Product Overview

Designed for the modern athlete, the ApexCool Performance Tee is engineered to optimize your physical activity, keeping you cool and comfortable even during the most intense workouts. Perfect for gym sessions, running, or any sport, this t-shirt is a versatile staple for men committed to their fitness journey, offering year-round performance with a particular advantage in warmer climates or high-intensity training.

## Material & Fabric Composition

Crafted from an advanced technical blend, the ApexCool Performance Tee features 88% recycled polyester and 12% elastane. This high-performance fabric boasts a lightweight 140 GSM (grams per square meter), offering exceptional breathability and a smooth, almost silky hand feel against the skin. The intricate micro-perforated weave not only enhances airflow but also provides a subtle textured finish, ensuring rapid moisture-wicking and quick-drying properties for ultimate comfort.

## Size Guide

Size	Chest (cm)	Waist (cm)	Length (cm)
M	96-100	80-84	70
L	101-105	85-89	72
XL	106-110	90-94	74
XXL	111-115	95-99	76

\*Measurements are taken flat. Please allow for a tolerance of +/- 1-2 cm.\*

## Care Instructions

To maintain the integrity and performance of your ApexCool Performance Tee, machine wash cold at 30 degC with similar colors. Do not bleach. Tumble dry low or, preferably, hang dry to preserve the fabric's technical properties and reduce energy consumption. Do not iron directly on print or logo; iron on low heat if necessary, inside out. Do not dry clean. Avoid fabric softeners as they can hinder the moisture-wicking capabilities of the material.

## Sustainability & Origin

Manufactured in Vietnam, our ApexCool Performance Tee is produced in facilities that adhere to high labor and environmental standards. The garment is made with 88% recycled polyester, certified by the Global Recycled Standard (GRS), ensuring that post-consumer waste is transformed into high-quality fabric, reducing reliance on virgin resources. We are committed to minimizing our carbon footprint throughout the production process by optimizing energy efficiency and sourcing materials responsibly.

## Style Notes

The sleek, athletic cut and versatile design of the ApexCool Performance Tee make it a perfect foundation for various activewear ensembles. Pair it with performance running shorts and trainers for an invigorating morning run, or combine it with training joggers and a lightweight hoodie for a dynamic gym look. For a casual athleisure vibe, layer it under an open-front track jacket with dark wash jeans. This tee is ideal for all seasons, performing exceptionally well in warmer temperatures due to its cooling technology, but also serving as an excellent base layer in cooler conditions.
