Care Instructions

To preserve the delicate nature of your Allure Noir Bodysuit, we recommend gentle hand washing in cold water (maximum 30 degC) with a mild detergent. Do not bleach. Lay flat to dry away from direct sunlight; avoid tumble drying as high heat can damage the fabric and elasticity. Ironing is not recommended. If absolutely necessary, use a cool iron on the reverse side with a protective cloth. Dry cleaning is generally not required for this garment type.

Sustainability & Origin

This exquisite bodysuit is proudly manufactured in Portugal, a region renowned for its high-quality textile production and skilled craftsmanship in lingerie. We are committed to responsible sourcing; the polyamide and elastane used in this garment are OEKO-TEX STANDARD 100 certified, ensuring that every component, from the fabric to the thread, has been tested for harmful substances and is therefore harmless for human health. While lingerie items typically have a lower overall carbon footprint compared to heavier garments, we continuously strive to optimize our production processes and supply chain to minimize environmental impact.
