## Care Instructions

To maintain the exquisite quality and appearance of your velvet pants, please follow these care instructions:

## Sustainability & Origin

These velvet pants are proudly manufactured in Turkey, a region known for its skilled textile craftsmanship. We are committed to responsible sourcing, and the cotton used in this product is OEKO-TEX Standard 100 certified, ensuring that every component, from the fabric to the thread and accessories, has been tested for harmful substances and is therefore harmless for human health. While a full lifecycle assessment is ongoing, we are continuously working to reduce the carbon footprint associated with our production processes.

## Style Notes

These versatile velvet pants are a true wardrobe asset.
