

# The "Aurora" High-Tech Nylon Hooded Dress - Rose Dawn

## Product Overview

Embrace the future of casual elegance with the Aurora Hooded Dress, a high-tech nylon marvel designed for the modern woman on the go. Perfect for transitional seasons, this versatile piece effortlessly combines sporty utility with feminine flair, making it an ideal choice for urban adventures, weekend getaways, or elevated loungewear. Its unique material offers comfort and style for those who value both form and function.

## Material & Fabric Composition

Crafted from a sophisticated blend of 90% recycled nylon and 10% spandex, the Aurora dress boasts exceptional durability and flexibility. The fabric has a substantial yet lightweight feel, weighing in at 120 GSM, offering excellent drape and comfort without being bulky. Its high-tech nylon features a subtle, semi-matte finish with a smooth, cool-to-the-touch texture, providing superior breathability and quick-drying properties. The inclusion of spandex ensures a comfortable stretch, allowing for unrestricted movement.

## Size Guide

Size	Chest (cm)	Waist (cm)	Hip (cm)	Length (cm)	Sleeve Length (cm)
S	88-92	68-72	94-98	88	58
M	92-96	72-76	98-102	90	59
L	96-100	76-80	102-106	92	60
XL	100-104	80-84	106-110	94	61

\*Measurements are taken flat. Please allow for a 1-2 cm variation.\*

## Care Instructions

To maintain the integrity and longevity of your Aurora dress, please follow these care instructions: Machine wash cold (30 degC) with like colors on a gentle cycle. Do not bleach. Tumble dry low or, for best results, line dry in the shade to preserve fabric integrity and minimize energy consumption. Iron on low heat if necessary, avoiding direct contact with any printed elements. Do not dry clean, as harsh chemicals may damage the technical fabric properties.

## Sustainability & Origin

The Aurora Hooded Dress is proudly manufactured in Portugal, a region renowned for its ethical labor practices and high-quality textile production. We are committed to minimizing our environmental impact, and this garment's primary material is 90% recycled nylon, certified by the Global Recycled Standard (GRS), ensuring transparency and verification of recycled content. By utilizing recycled fibers, we reduce waste and conserve virgin resources. We continuously strive to reduce the carbon footprint associated with our production processes.

## Style Notes

The Aurora dress is an incredibly versatile piece that transitions seamlessly across various occasions. For a chic urban explorer look, pair it with chunky white sneakers, a minimalist cross-body bag, and a sleek high ponytail. As the weather cools, layer it over a fine-knit long-sleeve top and complement it with opaque tights and combat boots for an edgy, comfortable ensemble. For a more relaxed weekend vibe, simply add slides and a wide-brimmed hat. This dress is ideal for spring and autumn, offering just the right amount of coverage and breathability for fluctuating temperatures.
