

# Ethereal Elegance: The Giselle Lace Pantyhose

## Product Overview

Embrace the delicate allure of our Giselle Lace Pantyhose, an exquisite accessory designed to add a touch of romantic sophistication to any ensemble. Perfect for the modern woman who appreciates refined details, these pantyhose are ideal for special occasions, evening wear, or simply elevating your everyday style with a subtle hint of glamour. Their versatile design makes them a year-round essential, transitioning seamlessly from spring events to autumn soirées.

## Material & Fabric Composition

Crafted for comfort and durability, our Giselle Lace Pantyhose are composed of a premium blend: 88% Nylon and 12% Elastane. This combination ensures exceptional stretch, a snug yet comfortable fit, and excellent shape retention, providing a smooth, second-skin feel. The intricate lace pattern is integrated directly into the knit, offering a delicate texture without compromising strength. With a lightweight feel, these pantyhose boast a fabric weight of approximately 30 GSM, offering a sheer yet resilient finish.

## Size Guide

Feature	One Size
:-----	-----
Waist	60-90 cm
Hip	85-105 cm
Length	90-110 cm
Thigh	40-55 cm
Calf	25-35 cm
Inseam	70-85 cm
Height	150-175 cm
Weight	45-70 kg

\*Please note: Measurements are approximate and designed to fit a wide range of body types due to the inherent stretch of the fabric.\*

## Care Instructions

To preserve the delicate nature and intricate lace of your Giselle Pantyhose, we recommend gentle care. Hand wash in cold water (maximum 30 degC) with a mild detergent. Do not bleach. Lay flat to dry away from direct sunlight; avoid tumble drying as high heat can damage the elastane fibers. Do not iron. Dry cleaning is not recommended. Store flat or rolled to prevent snags and stretching.

## Sustainability & Origin

Our Giselle Lace Pantyhose are proudly manufactured in China, a region renowned for its expertise in textile production. We are committed to responsible sourcing, and this product is certified by OEKO-TEX Standard 100, ensuring that every component, from yarn to finish, has been tested for harmful substances and is therefore harmless for human health. While the inherent nature of nylon production carries a carbon footprint, we continuously work with our manufacturing partners to explore and implement more energy-efficient processes and reduce waste throughout the production cycle.

## Style Notes

These exquisite lace pantyhose are incredibly versatile. For an effortlessly chic evening look, pair them with a classic little black dress, pointed-toe heels, and minimalist jewellery. To add an unexpected touch of femininity to your daytime attire, layer them under a midi-length denim skirt or tailored shorts with ankle boots and an oversized knit sweater. They are perfect for transitioning between seasons, adding a touch of warmth and undeniable style during cooler spring and autumn days, and an elegant accent for summer evenings.
