## Care Instructions

To maintain the integrity and vibrant color of your "Rebel Yell" jacket, we recommend machine washing cold (30 degC) on a gentle cycle with similar colors. Do not bleach. Tumble dry low or, preferably, hang dry to preserve the padding's loft and shape. Iron on a low heat setting if necessary, avoiding direct contact with any embellishments. Do not dry clean, as harsh chemicals may damage the jacquard fabric and padding.

## Sustainability & Origin

This "Rebel Yell" Padded Jacket is proudly manufactured in Portugal, a country renowned for its high standards in textile production and ethical labor practices. The internal padding is made from 100% Global Recycled Standard (GRS) certified polyester, ensuring that post-consumer waste is given a new life, reducing demand for virgin resources. By choosing recycled materials, we aim to minimize our environmental impact. While we continuously strive to reduce our carbon footprint across the supply chain, detailed product-specific carbon footprint data is currently in development.

## Style Notes

Embrace the jacket's punk spirit by pairing it with distressed black denim jeans, a graphic band tee, and chunky combat boots for an edgy, festival-ready look. For a more sophisticated yet playful vibe, layer it over a crisp white button-down shirt, tailored black trousers, and minimalist trainers. This versatile piece shines brightest in spring and autumn, offering a perfect balance of warmth and breathability, but can also serve as a striking indoor statement during colder months. Don't be afraid to experiment - its unique lilac hue invites bold accessorizing.
