Iron on a low heat setting, using a pressing cloth to protect the fabric, or steam gently.

## Sustainability & Origin

This "Midnight Fringe" Luxe Sport Blazer is ethically manufactured in Portugal, a country renowned for its high standards in textile production and skilled craftsmanship. The polyester component of this garment is certified by the Global Recycled Standard (GRS), ensuring that it contains verified recycled materials, reducing waste and our reliance on virgin resources. While carbon footprint reduction is an ongoing commitment, our European production minimizes long-distance shipping, contributing to lower emissions compared to more distant manufacturing hubs.
