

The "Urban Explorer" Integrated Belt Cargo Pants

Product Overview

Embrace functional style with our Urban Explorer Integrated Belt Cargo Pants, designed for the modern individual who values both utility and a sleek aesthetic. These versatile pants offer a comfortable fit with a contemporary edge, perfect for navigating city streets, weekend adventures, or adding a sophisticated touch to your everyday casual wardrobe. Their adaptable design makes them a year-round staple.

Material & Fabric Composition

Crafted from a durable yet comfortable blend, these cargo pants feature 98% Cotton for natural breathability and a soft handfeel, combined with 2% Elastane to provide essential stretch and shape retention, ensuring comfort and freedom of movement. The fabric boasts a substantial 260 GSM (Grams Per Square Meter) twill weave, offering excellent durability without being overly heavy. The texture is a classic, finely ribbed twill, offering a smooth finish and a refined, subtle drape.

Care Instructions

To maintain the quality and longevity of your cargo pants, please follow these care instructions:

Sustainability & Origin

Our Urban Explorer Cargo Pants are thoughtfully manufactured in Turkey, a region known for its skilled textile production. We are committed to responsible sourcing, and the cotton used in these pants is certified by OEKO-TEX Standard 100, ensuring that every component of the product, from the fabric to the thread and accessories, has been tested for harmful substances and is therefore harmless for human ecological use. While we continuously work to reduce our environmental impact, the carbon footprint associated with this product is being actively monitored and considered for future reduction initiatives.

Style Notes

These integrated belt cargo pants offer exceptional styling versatility. For a smart-casual ensemble, pair them with a crisp button-down shirt (sleeves rolled up for a relaxed vibe) and leather sneakers. To achieve a more rugged, utilitarian look, combine them with a graphic tee, an overshirt, and combat boots. They transition effortlessly between seasons; wear them with light layers in spring/summer or with knitwear and a denim jacket during autumn/winter. The integrated belt adds a subtle point of interest, allowing you to forgo additional accessories for a clean, streamlined aesthetic.
