## Care Instructions

To maintain the integrity and longevity of your faux leather set, please follow these guidelines:

## Sustainability & Origin

This product is responsibly manufactured in Turkey. We are committed to ethical production practices, and this faux leather set is certified with OEKO-TEX Standard 100, ensuring that every component, from the fabric to the thread, has been tested for harmful substances and is therefore harmless for human health. While faux leather inherently has a lower environmental impact compared to traditional leather, we continuously work to reduce our overall carbon footprint throughout our supply chain by optimizing logistics and sourcing.

## Style Notes

This versatile set is a sartorial power-player that can be styled in numerous ways:
