Care Instructions

To preserve the beauty and longevity of your silk dress, professional dry cleaning is highly recommended. If hand washing, do so gently in cold water (max 30 degC) with a mild silk-specific detergent. Do not bleach. Lay flat to dry away from direct sunlight; avoid wringing or tumble drying as this can damage the delicate silk fibers. Iron on a low heat setting, using a pressing cloth, on the reverse side of the fabric.

Sustainability & Origin

Manufactured with care in Vietnam, this dress aligns with our commitment to responsible production practices. The Mulberry Silk used is certified by OEKO-TEX Standard 100, ensuring it is free from harmful substances and safe for human health. We continuously work to minimize our carbon footprint throughout the supply chain, prioritizing ethical labor and environmentally conscious processes.
