

# The "Momentum" Performance Hooded Sweatshirt

## Product Overview

Embrace your active lifestyle with the Momentum Performance Hooded Sweatshirt, designed for the modern woman who values both comfort and functionality. This versatile hoodie is perfect for a wide range of physical activities, from your morning jog to a post-workout cool-down, or simply for an effortlessly sporty look during your daily errands. Its adaptable design makes it a year-round essential, offering warmth during cooler months and breathable comfort for transitional seasons.

## Material & Fabric Composition

Crafted for optimal performance and comfort, this hooded sweatshirt features a balanced blend of 65% Recycled Polyester and 35% Organic Cotton. This fabrication provides excellent moisture-wicking properties from the recycled polyester, keeping you dry and comfortable during activity, while the organic cotton offers a soft, natural hand-feel against the skin. The fabric boasts a substantial 280 GSM (grams per square meter), offering a medium-weight feel that provides warmth without bulk. The interior is brushed for a supremely soft fleece texture, enhancing comfort and heat retention, while the exterior presents a smooth, durable finish.

## Care Instructions

To maintain the integrity and longevity of your Momentum Performance Hooded Sweatshirt, please follow these care instructions: Machine wash cold (30 degC) with like colors. Do not bleach. Tumble dry low or, for best results, lay flat to dry to preserve shape and reduce energy consumption. Iron on low heat if necessary, avoiding direct contact with any printed elements. Do not dry clean.

## Sustainability & Origin

This product is proudly manufactured in Portugal, a region renowned for its high-quality textile production and ethical labor practices. We are committed to minimizing our environmental impact, which is why this sweatshirt utilizes 65% Recycled Polyester, certified by the Global Recycled Standard (GRS), reducing reliance on virgin materials and diverting waste from landfills. The 35% Organic Cotton component is GOTS (Global Organic Textile Standard) certified, ensuring strict environmental and social criteria throughout the supply chain, from harvesting to manufacturing. By choosing recycled and organic fibers, we aim to lower the overall carbon footprint of this garment.

## Style Notes

The Momentum Performance Hooded Sweatshirt is designed for ultimate versatility. For an athletic look, pair it with our seamless high-waisted leggings and performance sneakers. For a relaxed, post-gym vibe, layer it over a basic tee, styled with distressed denim jeans and canvas trainers. It also works perfectly as a comfortable layering piece for your outdoor adventures; throw it over a technical base layer with hiking shorts or cargo pants. This hoodie is ideal for cooler spring and autumn days, as well as providing a cozy layer during chilly summer evenings.
